

SURGE CENTER

Support. Uplift. Retain. Grow. Empower.

THE SURGE CENTER BOOSTS YOUR EMPLOYEES AND YOUR BUSINESS

Build Employee Skills and Commitment

The Surge Center works with clients to identify and support employees who need a boost. Our one-on-one program coaches your team members through challenges that could keep them from reaching their full work potential. We create ongoing relationships that invest in the future of your company, your employees and your community.

Create Stability and Growth in the Workplace and Community

Our goal at The Surge Center is to partner with you to create stability and growth for your business, your employees and your community. Our team will work with you to customize your Surge Center experience to best fit your needs. We rely on a vast network of community and organizational resources to adapt and address our programming to evolving workforce goals and productivity challenges while creating a positive, lasting impact inside your organization. We look forward to working with you to create a Surge Center experience that fits your vision and productivity goals.

Overcome Personal Challenges to Peak Performance

Your employees may need assistance outside the workplace to ensure they reach peak performance during work hours. That's where The Surge Center steps in. Our team of trained professionals coach employees through challenges to ensure they stay on track to perform on the job in a reliable and consistent manner. You can count on us to create a personalized Surge Plan with each employee:

- Reliable transportation**
- Stable housing**
- Affordable childcare**
- Debt management**
- Credit improvement**
- Continuing training or education**
- Legal assistance**
- Family support**
- Substance abuse treatment**
