

A MESSAGE FROM OUR EXECUTIVE COMMITTEE

Dear MMSDC Constituent:

As Executive Committee Members of the MMSDC board, we want to share the accompanying information about our certification processes with you, our corporate and MBE constituents, to ensure common understanding.

Frequently Asked Questions have been prepared by the staff to address key questions. MMSDC remains committed to a fair and objective certification process, and will continue to follow national certification guidelines for all MBEs. Many of you have asked how you can support. Our suggestions are as follows:

- As corporate members, we strongly encourage you to prefer certified MBEs as those firms have been vetted to ensure your corporation's business with them drives generational wealth in minority communities through entrepreneurship and employment.
- As MBEs, we ask you to reaffirm your commitment to hiring and promoting diverse talent at all levels, and to ensuring your firm's spend with other MBEs continually increases.

Thank you for your commitment to minority supplier development.

Sincerely,

MMSDC Executive Committee
