JA Educational Programs for Youth While at Home!

**During these uncertain times,
the youth that we service are on our minds daily!**

We are providing *simple, impactful and comprehensive educational solutions* for the Southeast Michigan region. K-12th Grade Lessons can either be printed or shared electronically.

JA Stands With You!

We are here to continue lifelong learning and preparation of the next generation for future success. Look for more exciting educational solutions from JA in coming weeks.
